FORM 481 Filing for wireless ETC in State of Colorado
October 14, 2013

Study Area Code:	applied for
Study Area Name:	Uintah Basin Electronics Telecommunications
Program Year:	2012

Uintah Basin Electronics Telecommunications just recently received ETC status in Colorado. In the process of understanding and preparing the FORM 481 due October 15, 2013 we learned that a Study Area Code was required for Electronic filing with the USAC.

The application for a Study Area Code has been submitted, but the code has not yet been established. Therefore, this submission is being provided to the USAC, FCC, and Colorado Public Utilities Commission.

This filing is being made because we anticipate receiving low-income support in 2014.
